

## *Bakersfield Community Concert Association* **RECIPROCITY**

One of the distinct “added-value” features of Community Concerts is a privilege called reciprocity. This means that as a subscriber to Bakersfield Community Concert Association, you may attend the concerts of other participating associations at no extra charge. We work with many other associations whose concerts you may enjoy by presenting your Reciprocity Card, found at the top of your ticket strip.

Offering reciprocity is a courtesy extended by each association and is based on ability to seat visitors. If seating is available, visitors may be asked to present a current subscription/ membership card and wait until five minutes before curtain time so local subscribers may be seated first.

**Please contact the association to confirm details, and for venue location and directions.**
